

**REQUEST FOR BIDS
TOWN OF SILVERTON
MOLAS LAKE DITCH IMPROVEMENTS
SILVERTON, COLORADO**

The Town of Silverton will receive competitive sealed bids until 5:00 pm MST, Monday, August 10, 2009, at the office of the Town of Silverton, 1360 Greene Street, PO Box 250, Silverton, CO 81433. The project site is located near Molas Lake about six miles south of Silverton along Highway 550. The work generally consists of ditch rehabilitation (vegetation, root and clog removal, grade modification and capacity improvements), the installation of water diversion and measuring equipment, and coordination with a separate contractor responsible for wetlands mitigation.

Plans, specifications, and bid documents will be available from Engineer Mountain Inc., 962 Reese Street, Silverton, CO 81433 on and after Tuesday, July 28, 2009, for a non-refundable fee check of \$200 per set made payable to the Town of Silverton. All questions shall be directed to the Engineer at (970) 387-0500.

Late bids will not be considered. The Town of Silverton reserves the right to reject any or all bids.

A mandatory pre-bid site meeting will occur at 10:00 am on Friday, July 31, 2009. Please meet and park at the campground cabin structures adjacent to Molas Lake.

Project is to commence in August and be completed by October 15, 2009.
